Joint Master's Degree

ENTERPRISE RISK MANAGEMENT*

Scope

Risk Management is increasingly being recognized as the key for achieving and driving sustainable organizational performance, regardless if the organization is in the public sector or the private sector and industrial domains. This Master programme is designed to provide formal education on contemporary Risk Management and its natural extensions to Crisis and Emergency Management to graduates.

* The Programme leads to the award of a joint M.Sc. title by Open University of Cyprus and Hellenic Open University.

Employment prospects

Employment opportunities include employment as Risk Officers and Chief Risk Officers in any type of organization that implements or is in the process of implementing an Integral Risk Management function, and as managers or directors in any type of organization where they will be required to handle crises and emergencies, and to develop formal risk, crisis, or emergency management processes.
