

Faculty of Economics and Management

MASTER OF BUSINESS ADMINISTRATION (MBA)

Scope

MBA is designed to prepare bachelor degree holders, and support professionals working in the private or public sector by providing specialized knowledge and practical training, to improve their skills and ability to respond effectively to the new realities of today's global markets.

Employment prospects

MBA holders may:

- Secure employment in many and diversified areas in business administration as advisors, consultants or managers.
- Advance their career and secure a higher-level managerial post within their current employment or professional area.
- Set up their own business, become self-employed, change career direction either into a related professional area or into a new sector/profession.

Higher education within your reach!

Programme Structure

For the completion of the MBA, students must successfully complete the academic requirements of four (4) year-long modules, and complete a Master's thesis.

The Programme offers its Thematic Units as stand-alone modules, so that interested candidates can take any module without the need to register to the MBA.
